A great platform to bring together exceptional minds. An intellectual rendezvous that provides for an exceptional networking opportunity as well. Keep up the good work!

I would definitely recommend the programme. It has given a great insight into the EU, the US, the relationship between them, and their role with respect to the world.

Well organized, with highly impressive speakers.

Loved the breadth and the depth of the speakers.

Excellent – I've been to three previous EU/US conferences held by AmChamEU, and the calibre of speakers and presentations at this one was far and away the best.

I am so glad to have been here. It's a truly great programme. I've never seen speakers of such consistently high quality in one event.

Very interesting speakers and colleagues.

Very well organized. Speakers of great quality.

A wonderful opportunity to cultivate thoughts, share new ideas, and make new friends. I will never forget it.

One of the best experiences I have had this year.

This was a very well organised and informative conference which complemented my MBA programme. I particularly appreciated the tensions and honesty of the panel's opposing viewpoints.

Highly valuable and enriching.

Fantastic networking with an amazingly diverse group of participants.

Well planned and brilliantly executed. Keep up the good work!
I absolutely loved this event. I learned first hand from articulate, deliberate, experienced professionals.

Very informative and, due to the size, a very "intimate" experience.
